## COACH'S CORNER

### FROM COACH SCHRAM

Beginning my eighth year as Head Football Coach at Miramonte High School, I want to thank the Orinda community and all of the great people for their tremendous support needed to keep our program growing and make high school athletics a special time for the student-athletes involved. I'm well aware of the tradition and high standards that have been set by those before me. In my twelve years as both an assistant coach and Head Coach at Miramonte we have won two NCS Championships and have ten NCS playoff appearances. The entire coaching staff and every player is looking forward to the 2018 season and seeking the 2018 NCS Division III Championship.

## ACKNOWLEDGEMENTS

As a costly sports program that receives limited district funding, Miramonte Football would not exist without the tireless organizing and fundraising efforts of parent volunteers, to whom we extend our deepest appreciation. We also would like to recognize our major program advertisers for their support, and extend a special thanks to Clark Thompson-Village Associates Realtor, Shannon Conner-Village Associates Realtor, The Beaubelle Group, Clay, Millias & Co LLP, Pennini's, Village Associates, Dr. Amin Samadian, DDS, UCSF Benioff Children's Hospital and Mechanics Bank for their generous donations to the football program.

# GRATEFUL GATHERINGS

*Good Morning,*

*I wanted to thank you again for creating a home for my family and I. Your team has really helped us continue to have hope and faith in our situation. I really see the true happiness in the kids hearts because you guys created this from your own hearts. You guys are angels from God! Thank you so much,*

*Ramona and Family*

Matadors football teams partnered with Grateful Gatherings to make an empty apartment into a comfortable home for a deserving Bay Area family!

Grateful Gatherings is an incredible organization that helps families in need of a fresh start. It is run by Orinda's own Chris Flitter who works with social services to help families in need.

On Saturday September 29, Matador players started out early by accepting and organizing donations from our community. Then they loaded up the moving truck and along with a few parents and Coach Schram we headed over to our designated location to meet the family and set up their apartment. This family only had a few bags of clothes and a couple of stuffed animals and books. So we sent them out to have some fun for the day while our Matadors got busy setting up their home. They did everything from carrying furniture to building some furniture, and even some cleaning and vacuuming! We had the place all ready for the big reveal for the family by 3:00pm that afternoon.

It was a lot of work but the boys were eager to help.

More information about Grateful Gatherings can be found at:

FRIDAY, SEPTEMBER 7, 2018

ORINDA, CA

The Matadors returned to their home field to host Brookside Christian on Friday, September 7. The defense quickly kicked things off by forcing and recovering a fumble. Not to be outdone, the offense scored on their first play from scrimmage on a 32-yard pitch and catch by **AJ Fraser** to **Tyler Lowe**. After the defense forced a quick 3 and out, the offense scored once again, this time on a 46-yard pass from **Fraser** to **Callister**. Following some more stout defensive play, the Matadors added two more scores, both on **Fraser** runs to bring the score to 25-0 midway through the second quarter.

The second quarter continued with the Matador defense recovering two fumbles; one by **Eric Heilman** and another by **Kei-Ian Stone**. On offense, the **Fraser** to **Callister** connection continued with two more TD passes, bringing the early third quarter score to 38-0 Matadors. The Matador defense continued to choke out Brookside Christian, getting the ball back for an offense now led by **Matt Meredith**, who marched the team down the field twice; both drives capped off with short **Tyler Lowe** TD runs, making the score 45-0. Brookside managed to get on the board late in the fourth quarter with a 15-yard TD pass, bringing the final score to 45-6 Matadors. Overall, a dominating performance by the Matadors, who hope to carry that momentum into league play after the bye week

## MIRAMONTE 28 HEALDSBURG 0

FRIDAY, SEPTEMBER 7, 2018  
ORINDA, CA

Miramonte JV almost didn't have a game on Friday, September 7 when Brookside Christian cancelled. Thankfully, Healdsburg stepped in and traveled to Orinda for Game Four.

The first quarter saw no score by either team although Miramonte had some strong defensive plays resulting in stalling Healdsburg drives - there was a tackle for a loss by **Matthew McCombe** and a nice open field tackle by **Aidan Browne**.

**Aidan Browne** showed a burst of speed to gain 20 yards during a series of plays to start the second quarter; however, that series stalled resulting in a punt. Miramonte's defense started the scoring excitement with **Sam Ross's** deflection of a pass resulting in an **Aidan San Gabriel** interception for a touchdown.

After the kick-off the Healdsburg offense couldn't get on track due to Miramonte's defensive efforts, holding them to a quick four and out resulting in a turnover on downs.

On the next possession, the Miramonte offense scored it's first touchdown with a 43-yard run by **Aidan Browne** with excellent blocking provided by the linemen and receivers.

The Special Teams unit came out for the PAT where their was a fumbled snap but a heads up play by the holder, who picked up the ball, ran it in for a 2-point conversion.

During the next Healdsburg offensive possession, **Donald Frank** had back-to-back tackles for loss and **Bradley Nestal** intercepted a pass in the end zone to keep Healdsburg scoreless heading into halftime.

Starting off the third quarter, Miramonte's defense again stood stout with two tackles for loss by **Aidan San Gabriel**, **Sam Ross** adding a sack and **Bradley Nestal** with a pass deflection in the end zone. Offensively, **Aidan Browne** produced a 62-yard run and **Jake Doran** had an 18-yard run on fourth down to keep the drive alive; however, this drive stalled out resulting in no points.

**Emmit Keady** started off the fourth quarter with an interception leading to another **Aidan Browne** touchdown with **Caleb Wilday** providing the extra point.

Towards the end of the game, **Anthony Ricevuto** had a pick-six interception sealing the 28-0 victory for the Matadors!

## MIRAMONTE 61 | SAN LORENZO 8

FRIDAY, SEPTEMBER 14, 2018

ORINDA, CA

The JV Matadors had their most complete game of the season, hitting on all cylinders in a 61-8 victory over the San Lorenzo Grizzlies.

The Matadors started quickly, with QB **Aidan Browne** calling his own number and taking it 50 yards on a keeper TD. After another quick defensive stop by the Matadors, **Brad Nestal** returned a Grizzlies punt 30 yards and then capped off the drive himself with a 23-yard TD reception for a 13-0 Matador lead.

The second quarter began with Mats LB **Jake Doran** recovering a fumble on the Matadors' own 32. After **Joe Foster** had an amazing 68 yard end-around TD run called back for holding, the Matadors didn't hang their heads as **Browne** hit **Sam Ross** on a long pass to the Grizzlies' two-yard line. **Jake Doran** took it in from there, stretching the Matador lead to 19-0. The game Grizzlies then mounted a drive of their own, running it in to cut the Matador lead to 19-8 with 2:00 left in the half.

The Grizzlies were a quick, if undermanned bunch, going toe-to-toe with the Matadors for much of the first half, but their roster of 17 suited players succumbed to a Matador onslaught as the Matadors turned in their most impressive two minutes of the season to wrap up the first half. Matador QB **Browne** engineered a quick drive, ending in an 8-yard TD pass to **Ross** with 1:26 left in the half. Stingy defense and judicious time outs forced a three and out by the Grizzlies, followed by a 45-yard **Browne** to **Nestal** TD pass with 0:34 left on the clock. It got worse for the Grizzlies, fumbling on first down deep in their own territory as time was running out. A 13-yard end-around by **Nestal** pushed the lead to 40-8 at halftime—a dominant two minutes of complete football!

The second half got off to a rough start for the Grizzlies with **Sam Ross** turning in an incredible “whoops I fumbled it, make that a 96-yard kick return TD” on the opening kick-off. The running clock shortened the half a bit, but didn’t silence the Mats as **Aidan San Gabriel** scored on a 22-yard TD run, followed by QB **Calvin Dakis** hitting **Joseph Gonzales** for a 44-yard score to wrap things up.

A complete game with many offensive stars – without overlooking a stingy and opportunistic Matador defense that kept the Grizzlies on their heels for most of the game with hard-hitting tackles and big plays. Great win, GO MATS!

## MIRAMONTE 35 | NORTHGATE 0

FRIDAY, SEPTEMBER 28, 2018

WALNUT CREEK, CA

The Miramonte Matadors continued their winning ways with a 35-0 victory at the Northgate Broncos. This was the first league game of the season. The Matadors will carry a 5-0-1 record on the road again on Friday, October 5, at Alhambra in Martinez.

The Matadors showcased their double-threat running attack behind great efforts by **Aidan Browne** and **Jake Doran**. The offensive line created the space allowing **Brown** to score two TDs and **Doran** to score three TDs. **Caleb Wilday** was perfect in all PAT attempts.

The scoring came early as the Matadors jumped on a fumble after a Broncos running play. Given terrific field position **Doran** found the end-zone on a pitch-and-run play.

After a 4-and-out by the Broncos, Matador QB **Browne** scampered around the left side and into the end-zone which resulted in a 14-0 score by the time the first quarter concluded.

The first half scoring was culminated by a TD run by **Doran** behind the fullback, **Donald Frank**.

At the half, 21-0 Matadors.

In the second half **Doran** scored his third TD of the day which essentially sealed the victory for the Matadors. The defensive effort continued to be stout throughout the game. The Broncos were unable to enter the red-zone to create a viable scoring threat.

The final scoring play of the game came on a 38-yard "QB-keeper" by **Browne** with 3:46 remaining in the game.

**Quick fact...**The balance between the defensive and offensive efforts of the MATs is evidenced by their "points for" vs "points allowed" statistic: 182 vs 45.

**Dear Miramonte Parents:**

The Miramonte Boosters Club and YOUR student athletes need your help!

**THANK YOU** to the nearly 350 MHS families who have donated to Boosters for the 2018-19 school year, roughly 50% of the families who have a student-athlete. If your daughter or son plays a sport at Miramonte, we need your support! The Boosters Club has committed over \$100,000 to fund much-needed equipment and support services for all of the teams. Without 100% participation, we won't have enough money to meet these needs.

**BOOSTERS FUNDS GO TO ALL SPORTS OFFERED AT MHS**

- Sports-related necessities such as balls, nets, mats, training videos, practice equipment, covers, timers, and weight room equipment.
- Athletic trainer, medical supplies, and the strength & conditioning coach—for use by ALL student-athletes at MHS. Boosters cares about the safety of our athletes and covers the cost of concussion screening. New this year, we will also provide strength and agility screening by Sparta Science.
- Funding for important capital items like goals, benches, batting cages, scoreboards, timing systems, and the newly purchased sound systems on the field and inside the main gym.

For those of you that have not yet signed up for Boosters, please take a moment to make a donation and become part of the **TEAM BEHIND THE TEAMS!** The Boosters Club is a nonprofit organization and donations are tax deductible. **THANK YOU!**
